

# Rain Garden Workshop and Installation

UNIVERSITY OF  
**Nebraska**  
Lincoln

**EXTENSION**

Know how. Know **now**.

Learn how to build your own rain garden to help soak up rainwater from downspouts, driveways, and sidewalks while protecting our streams, lakes and rivers!

At the workshop you will receive a rain garden manual and additional materials. You will also gain hands-on experience by participating in an installation. The trainers will provide step by step instructions on creating the perfect rain garden—prepare to get your hands dirty!

Lunch is included.
